Hi Lorena -

I apologize for this being an on-going issue. The City Attorney will be putting together an agreement which we will then have to take to our executive office to be ratified after-the-fact. City Attorney opined that it does not have to go to Board, which will save some time, but is still a process. It is now with City Attorney for preparation of the agreement. I have let them know the urgency and that time is of the essence.

Theresa,

We are reaching a critical point where we are running out of funds and were relying on receiving payment before 2017.

Please confirm when this will be complete.

Thank you very much.

Best regards,
